# CHAIR'S MESSAGE

Dear Fellow State Employees,

I am thrilled by what I have seen this past year during our annual California State Employees Charitable Campaign (CSECC).

As California's State employees, you have proven to be extraordinarily generous- not only with your dollars but also with your time. Literally thousands of you have stepped up your commitment to supporting your local community. The state's nonprofit sector continues to provide a critical safety net in California, and you have been there to ensure that vital needs can be met.

I also want to express my gratitude to the hundreds of volunteers who work on the CSECC campaign: you have been tremendous. Your hard work is making a real difference in the lives of hundreds of thousands of Californians. Thanks, and keep up the great work! I am truly looking forward to another great campaign.

**NOTICE AND DISCLAIMER** Each donor is encouraged to independently review information about the charities they select. The Victim Compensation and Government Claims Board has found these charities eligible to receive designated deductions based on certifications that the charities comply with statutory requirements. The Board does not independently investigate the charities other than to verify their Federal Tax exempt status and review their self-certifications of compliance with applicable California Department of Fair Employment and Housing Regulations. The Board's determination is not an endorsement of any particular charity. If you have any questions regarding this matter, please reference the name of your PCFD, when you call or write. # CALIFORNIA STATE EMPLOYEES CHARITABLE CAMPAIGN (CSECC)

The California State Employees Charitable Campaign (CSECC) was established in 1957 to provide a single charitable fundraising event throughout the state. During the fall, State employees are given an opportunity to participate in the campaign and are provided a payroll deduction pledge form as well as access to a Donor Resource Guide, which lists the participating charitable organizations. The California Victim Compensation and Government Claims Board (VCGCB) screens these nonprofits to ensure their eligibility, but does not endorse them in any way. In addition, State employees may also donate to **any** 501(c)(3) nonprofit of their choice, even if their preferred organization is not listed in the Donor Resource Guide.

## Quick Facts about CSECC:

By law, each State employee will receive a payroll deduction pledge form as well as access to a list of agencies approved by the VCGCB.

The VCGCB selects the organization best qualified to manage the CSECC in a designated geographical area. These organizations are known as Principal Combined Fund Drive (PCFD) Agencies.

## What is a PCFD?

Annually, the VCGCB approves a number of nonprofits to coordinate the workplace giving campaign for each of the 31 regions. These organizations are known as PCFD Agencies and are traditionally local United Ways. There are 29 PCFD Agencies included in the 2012 CSECC.

## Why was your local United Way selected as the PCFD Agency for your respective geographical region?

Your local United Way was chosen as the PCFD for the CSECC based upon the following criteria:

- **EFFICIENCY:** Fundraising costs are low, allowing nearly all of your contribution to go to the community charity of your choice.
- **VARIETY:** There is a wide variety of charities to choose from based upon an individual's particular interest.
- **EFFECTIVENESS AND INTEGRITY:** All funds designated in the CSECC are collected and successfully distributed to the appropriate agencies.

## What is a Federation?

A federation is a group of nonprofits under one "umbrella." Most federations, as listed in the Table of Contents, and their member organizations have a common focus. Such concerns as: the environment, children's issues, medical research, and health and human services are among some of their common interests.

## Your Giving Options

- **DESIGNATE:** You can give to any 501(c)(3) nonprofit(s) of your choice even if your preferred agency is not listed in the Donor Resource Guide simply by completing the designation portion of the pledge form.
- **GIVE TO YOUR LOCAL PCFD:** Make an investment in your local community. Your gift impacts local issues identified by volunteers at each PCFD Agency.

## Why Should I Give to the California State Employees Charitable Campaign?

- **VARIETY:** CSECC offers hundreds of choices and since you can give to **any** 501(c)(3) nonprofit agency, there is a choice for everyone.
- **CONVENIENCE:** Payroll deduction makes giving easy and allows you the ability to have your gift deducted in small amounts. Furthermore, it provides nonprofit charities with a steady income throughout the year to assist in the planning and implementation of successful programs.
- **TAX-DEDUCTIBLE:** Your gift is tax deductible!
- **FEELS GOOD:** There is no better way to give to a charitable cause of your choice than through the CSECC. You can direct your gift to the organization(s) you feel most passionate about by participating in this year's campaign.
- **COST EFFECTIVE:** The PCFD Agencies in the CSECC maintain an administrative cost of 16%. The VCGCB authorizes the PCFD Agencies to deduct an administrative fee which covers fundraising and administrative costs that each agency incurs while conducting the campaign. For a complete listing of each individual PCFD costs, please visit [www.csecc.org](http://www.csecc.org).

# WHERE YOUR MONEY GOES

When approving each Principal Combined Fund Drive (PCFD) to administer the CSECC, the Victims Compensation and Government Claims Board authorizes the PCFD to deduct an administrative fee, which covers administrative and fundraising costs incurred while running the campaign. The fee is deducted from payments to Affiliates (member agencies of the PCFD) and Non-Affiliates (other federations, their member agencies, and independent charitable organizations).

**Following are the administrative fees for the 2012 CSECC.** The fees below include 1% charged by the State Controller’s Office for processing contributions and .67% charged by the California Victims Compensation & Government Claims Board to cover its cost of administering CSECC.

# STATE EMPLOYEE RETIREES: CONTINUE GIVING

Since 1957, state employees have generously supported the California State Employees Charitable Campaign (CSECC) throughout their careers and many want to continue their public service of charitable giving once retired. CSECC has a simple retiree giving program that allows employees to continue their philanthropic commitment to their communities, state and the world.

By deciding to participate in CSECC you can see how easy it is to continue your tax-deductible gift through CalPERS. It is as simple as filling out the pledge form, which can be found on our website ([www.csecc.org](http://www.csecc.org)) and mailing it to: CSECC, 10389 Old Placerville Road, Sacramento, CA 95827.

**Find meaningful volunteer opportunities in your community that match your interests and availability.**

**CaliforniaVolunteers.org**

- 1 Select your area of interest
- 2 Enter your zip code
- 3 Pick the right opportunity for you!

CaliforniaVolunteers.org features the largest and most dynamic online statewide volunteer matching network in the nation. You choose the issue, name the location and select your time commitment. **It's that simple!**

This brochure is a collaboration of the following United Ways (operating as Principal Combined Fund Drive agencies) for the California State Employees Charitable Campaign.

Due to the collaborative nature of this brochure, the charitable agencies are listed once. If you don't find your favorite agency, please check the Index on page 53. An Online Donor Resource Guide, with 25 word statements for each charitable agency, is available at [www.csecc.org](http://www.csecc.org).
