## News and Updates from the Fresno State OLLI

### Summer OLLI!

We are so happy to announce our online OLLI summer courses and we hope you participate!

Our summer catalog is online only - we are not printing and mailing it. We WILL print and mail our fall catalog next month, but why wait to learn?

Because online OLLI is new, we are NOT charging a summer membership fee and courses are priced as usual.

We are also debuting our **new online registration system**. This system is paperless, and you can create a profile, select courses and pay with a card. When you return to the system in fall, all you have to do is log-in and select your courses!

Those who use online registration this summer will get a free touch tool you can use to avoid touching surfaces out in public.

### About Paper Registration

You may register by mail; **however, expect significant delays**. Due to campus operations impacted by COVID-19, we only receive mail once a week. You CANNOT visit campus to drop-off registration forms – our offices are CLOSED. We cannot accept any registrations by phone.

### How You Can Help OLLI

We've all undergone many changes this year but one thing that hasn't changed is our commitment to providing a robust OLLI learning experience.

If you've already registered online, **THANK YOU!**

Even if you are not interested in online learning or in our summer offerings, please share our catalog with friends. With online learning, folks can live anywhere and participate!

## ZOOM Info!

Zoom is a great platform to video conference, video chat and video learn and it's what we will use for our OLLI offerings.

It takes just a minute to get a FREE Zoom account. Please do not be intimidated: **You can learn anything!**

### From your desktop or laptop computer:

Go to [www.zoom.us](http://www.zoom.us) and click the blue box that says "sign up".

The screenshot shows a 'Sign Up Free' form. At the top, it says 'Sign Up Free'. Below that is a text input field labeled 'Your work email address'. Underneath the input field, it says 'Zoom is protected by reCAPTCHA and the Privacy Policy and Terms of Service apply.' There is a blue 'Sign Up' button. At the bottom, it says 'By signing up, I agree to the Privacy Policy and Terms of Service.'

NOTE: You do not need to upgrade or pay for your account to participate in the OLLI Zoom. Our license is through the university and allows you to participate fully. If you decide to host your own Zoom meetings with family, friends or interest groups, you may wish to upgrade someday - but there is no need to for OLLI.

### From your phone or tablet:

Apple device (iPhone, iPad) download Zoom from the Apple App store

Android device (phone or tablet that's not an Apple product) download Zoom from the Google Play Store

**To get started, here is a great video you can watch on YouTube. Click [HERE](#) to view.**

To participate in live video, Zoom will use the camera on your device (phone, laptop, tablet) if it has one. If you do not have a camera on your device, you can listen in by phone but others won't be able to see you.

**We look forward to seeing you online!**

**We miss you!  
We value you!**
