

Event Operations

406.1 PURPOSE AND SCOPE

The primary duty of the Fresno State Police Department is to preserve the peace during events/ operations and large disturbances that require a coordinated law enforcement response.

406.2 EVENT/OPERATION

406.2.1 DEFINITION

Event or Operation - Any anticipated or planned event including parades, entertainment/sporting events, funerals, motorcades, or other events that require a coordinated law enforcement response to ensure the safety of the public.

406.2.2 EVENT COORDINATION

The Chief of Police and/or an Operations Lieutenant will designate a sergeant or officer, depending upon the anticipated size of the event, as the Officer In Charge of the event. The OIC will have responsibility and authority for decisions related to the assignment and coordination of resources at the event.

406.2.3 POST EVENT REPORT

The OIC shall prepare a Post Event Report for submission to the Department Event Coordinator. The report shall identify an overview of the operation, summarize any incidents which occurred during the event, and provide any information that would assist in future operations of a similar nature.
