

Minutes for Wednesday, 09/18/2019

12:03 PM

**Attendance:** Lisa Bryant (chair), Sankha Banerjee, Amila Becirbegovic, Luis Fernando Macías, Silvana Polgar, Katherine Fobear, Melissa Jordine

*Absent:* Pei Xu

### **Agenda Approved with amendments**

**Announcements:** Contract with *Pathbrite* will not be renewed and has been set up in Canvas. The students will not get access to their old assignments. The students do not need to resubmit anything and all the assignments have been recorded.

Fall 2019 students will only use *Canvas* and its set up for the *Portfolio*. Mellisa will also talk about the results of the assessment.

**New Business** - No new business to discuss.

**Smittcamp Questions** - Upper division honors courses are interdisciplinary and a little more complex as compared to other upper-division GE courses. The assessment for Smittcamp students will be different.

For the non-Smittcamp students the questions should be more specific.

Proposed Reflection Questions for Smittcamp students -

1. Identify and discuss at least one specific aspect of the GE upper-division honors courses that you took and identify the skills that you think were more significant in terms of completing these courses.
2. Identify two significant learning experiences in the interdisciplinary GE upper-division honors courses that you took and discuss and analyze these experiences for example you can discuss challenges, achievements, connections, breakthrough etc. ~ **Modified**

### **Review rubrics for areas D2, areas 1-3**

Make this a holistic rubric and keep the “and”.

*GE Area D2 outcome 1 Rubric* approved with changes.

2-developing: Student does NOT clearly identify and/or explain a minimum of two key aspects of the structure of the US or California government or provide examples for each aspect mentioned.~ **Modified**

*GE Area D2 Outcome 2 Rubric* approved.

*GE Area D2 Outcome 3 Rubric* approved

- “Clearly” was added for both advanced and proficient.

The next meeting is on october 9th, 2019.

Meeting adjourned at 12:59PM.
